"Invite a friend"

Throughout his pontificate, Pope Francis has reminded us of our core calling to be joyful witnesses to the Good News of Jesus Christ.

As British Catholics conscious of the turbulent history of the Church in our land, we have a natural reticence about sharing our faith- a reticence which must be overcome if we are to fulfil our great commission to make Christ known. Inviting a friend to "come and see" is perhaps the least threatening way of sharing our faith we can imagine, and a crucial step in promoting this change of culture within our Church.

As we have been exploring throughout June, the Holy Sacrifice of the Mass the "source and summit" of our Christian life. So as an invitation to "Come and See" the Diocese is inviting us to invite a friend to Mass on the weekend of Sunday 1st July.

There will be postcards available at the back of the churches for parishioners to "Invite a friend" to any of the three masses below:

5.30pm St David Lewis
10.45am St Michael
11am St David

A specially printed book will be available for the "friend" to follow the Mass and explain what is taking place. If you would like to invite a friend to "come and see" simply take one of the postcards from the back of church and pop the name of the church and the time of Mass on it; then bring it to your friend and invite them to come with you next weekend.

Prayer

Words cannot contain our desire for God but they help direct our minds and hearts towards God's love and express our needs.

Loving God, in the lives of Elizabeth, Zechariah and John, we see what wonders you can do in the lives of people of integrity. Send us your Spirit that we may live faithful to your Son, Jesus, and by our words and actions witness to your mighty deeds before all. We ask this in his name confident that you will hear us.

Parish Census

Forms are still available
at each Community.
Please complete and return
by the 1st July 2018

Along with the census form you will also have access to a consent form which must be completed by everyone named on the census (one consent form per person). I am reliant on all communities to pull together to ensure the sick and housebound take part.

Those of you who have provided an email address on the census will have begun to receive an invitation to MyChurchSuite. This will give you access the data we hold on you and update accordingly, as well as access features useful to you and your life in our parish.
